#### STRONGER THAN EVER! OPERATIONS REPORT ~ Nick Eatmon

Net increase of nearly 100 members in less than 4 years! MCCC reached alow in membership in 2011 of 533 members. Since then there has been steady growth. What changed?

1.) Change in demographics and spending: Not only has the membership increased the membership has gotten younger. While golf related income decreased by 17% per membership, food and beverage related income increased by an astounding 60% per membership!

**Looking further into the numbers:** The decrease in income through golf related income is a troubling number. **Something to think of:** Membership over the last 12 months has reached 631 family memberships. Lets say the top 10% of the membership averages 100 rounds a year. This would total 6,310 rounds with guest rounds adding another 5,000 rounds a year. Totaling 11,310 yearly rounds. If the remaining family memberships play 40 rounds a year the club reaches approximately 34,000 rounds. Up to 35,000 is deemed to be the maximum number of rounds played while also ensuring top playing conditions.

**The bottom line:** With members on average playing less golf the club is allowed to extend membership capacity over 600 members. The gain in dues is higher than the loss of golf related revenue. With current spending the club can extend membership to 650 and stay under 35,000 rounds.

- 2.) Food & beverage: Food & beverage has exploded. What is the full impact of the growth in food & beverage? As mentioned earlier golf related income has decreased. If the club wasn't offering more through the food & beverage department the club would not have increased membership to where it is today. The increase in food & beverage diversifies the club like never before.
- 3.) Membership dues: In 2010 a new dues structure was introduced. Since 2010 average dues per membership has increased from \$1,500 a year to over \$1,700.
- 4.) Expenses before projects has been decreased by approximately \$60,000 since 2012.

#### STRONGER THAN EVER!

In the last 12 months, the club has been able to budget over \$400,000 in improvements. \$120,000 in golf improvements includes tee work, bunkers, driving range, trees, cart paths and irrigations system. \$85,000 in equipment purchases including greens mowers, tee mower and utility vehicles. Approximately \$180,000 in clubhouse and pool improvements which include, flooring, bathrooms, paint, furniture, HVAC units and tent. The club has also been able to increase the entertainment budget by \$20,000.

# LEARNING FROM THE PAST WHILE KEEPING AN EYE ON THE FUTURE

In 1998 renovations took place to the golf course elevating the course to the top of the area. A 15 year loan was introduced and the club was able to depreciate money spent on improvements over 15 years. Today depreciation no longer exists. As noted the clubs income and profit dwarfs at any time in club history. A lack of depreciation and all time high profit leaves major tax consequences. The clubs tax bill could reach \$200,000 in 2017. With continued growth the tax bill would only become larger for each subsequent year. The Board of Directors have formed a planning committee made up of Board members along with additional members.

## **Activities by Importance**

Activity	Mean Rating*	% Rating Important

<sup>\*5=</sup>Very Important, 1=Very Unimportant

Statement	% Agree	% Disagree	% Neutral
Family-oriented clubs will prosper in the future.	89%	1%	10%
Golf-only clubs will struggle.	61%	15%	24%

Above is a nations survey from McMahon Industries focusing on private golf clubs. While eastern North Carolina is unique it is always important to keep an eye on national trends.

Quick question: What would you say if someone offered you a new house along with a new car and a new boat, all for the same price as your current mortgage payment?

#### Most would ask what's the catch?

The Board of Directors and planning committee are committed to spending your money wisely. The answer to the question above is there is no catch. **THERE WILL NOT BE A DUES INCREASE OR ASSESSMENT!** The goal is for MCCC members to have it all.

In 2013 the club set a goal to become the #1 value club in all of the Carolinas. The club is well on it's way! What the Board of Directors and the planning committee are discussing is how to improve overall club assets. MCCC has a 50 year old clubhouse, 40 year old pool and a course nearing 20 years since renovation.

The reality is Morehead City Country Club is in a uniquely strong position. There isn't another club which has the totality of the following. Private club with over 600 family memberships. A club with highly valuable property and memorable views. An area which is expected to grow by 7,500 residence in the next 10 years and to grow by over 20,000 second home residence. A club which has grown to making approximately \$500,000 a year!

As a member you should be thinking how you would avoid \$200,000 a year in tax payments. What improvements if any you would like to see the

club achieve.	This is the beginning of a long process. Decisions will not be made over night. Your input is important!

Thursdays are AWESOME at MCCC!

Food specials include \$7 pizza and 50 cent wings. Plus drink specials starting with \$1.50 beer!

FREE GOLF LESSON

complimentary lessons each year!

All Members receive one hour of Play

Play courses in the area and all over the nation at reduced rates!

Member's children under the age of 16 ride for free with a paying adult!

#### Busy offseason! Income is up over \$80,000 from the prior year for months October through March!

- Bunkers on 1,2, 4 & 8 have been renovated. Drainage has been improved and old sand has been replaced!
- · Ceilings throughout the clubhouse have been replaced and new recessed lighting has been installed
- The biggest project! Both bathrooms in the clubhouse are in the process of renovation. They will be complete in the middle of April.
- Both bathrooms will have new cabinetry, lockers, flooring, stalls, toilets, ceiling, mirrors and lighting.
   Bathroom renovation have been a major project and the members understanding has been greatly appreciated!

#### What's next?

- In the clubhouse there will be a universal handicap stall at the end of the hallway.
- Bathroom improvements on the course
- On the golf course the crew will continue to work on bunkers.
- The majority of new tee boxes will be ready to play in early April.

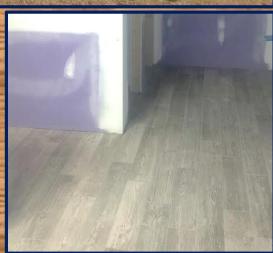

#### Recent equipment purchases include:

Tee mower, utility vehicles and a new beverage cart will be here in early May!

**Just like Augusta!** August National makes changes each year to the length of their holes to test the best golfers in the world. MCCC's tee changes are a little different! While the back tees are lengthened by over 100 yards the up tees are 600 yards shorter.

**FORGET TEE COLOR!** An example of recommended play according to driving distance & handicap: 250 Yards & Over – Black Tees, 215-249 – Blue Tees, 180-214 – White Tees 145-179 – Gold Tees, Under 145 Yards – Red Tees These are only recommendations. Any player male or female can play any tees they desire.

For tournament purposes: Men under 65 will have the blue tees as their standard tee. Ages 65 to 79 standard tees will be the white tees. Over 79 years of age will use the gold tees. Women under 65 standard tee will be the gold tees. Over 65 standard tee will be the red tees.

Note the black tees are new with all other teeing areas moving up one tee box. Some tee yardage may be slightly different on ce completed.

	New Black Tees Compared to Current Blue	New Blue Tees Compared to Current White	New White Tees Compared to Current Gold	New Gold Tees Compared to Current Red	Red

#### TEE IT FORWARD By USGA April 4, 2013

Introduced in 2011, TEE IT FORWARD is a joint initiative between the USGA and The PGA of America that encourages players to play from a set of tees best suited to their driving distance. In addition to providing more enjoyment for golfers, teeing it forward also can be one of the most important steps that golfers take in improving pace of play.

A 2012 survey of TEE IT FORWARD participants found that: 56 percent played faster, 56 percent are likely to play golf more often, 83 percent hit more-lofted clubs into greens, 85 percent had more fun, 93 percent will TEE IT FORWARD again

More from the USGA: One question that arises is, "Will my Handicap Index® still be portable from a forward tee?" When posting a score from a more forward set of tees, for example, that set of tees will have Ratings that are in accordance with a shorter total yardage (e.g., a 6,500-yard set of tees may have a men's USGA Course Rating of 71.0/Slope Rating of 120, whereas a 5,500-yard set of tees for men may be rated 66.0/110; a 5,500-yard set of tees may have a women's rating of 71.4/114, whereas a 4,500-yard set of tees for women may be rated 65.8/101). The player's total score is usually going to be lower by playing a shorter set of tees, but the ratings are going to be lower, respectively, to compensate for the difference. Thus, the Handicap Index and Handicap Differential<sup>TM</sup> produced from each round played should be about the same and keep a Handicap Index portable from tee to tee, course to course.

CG Foundation Inc is a 501 (c) 3 nonprofit corporation

#### 50th Purcell Jones Seafood Invitational ~ August 20th & 21st

**Format:** 36 Hole 2-Person Best Ball. 8 Teams per flight with a full field. 1st, 2nd & 3rd place winning prizes. Prizes will also be awarded to the Low Individual Champion Under 50, Senior Champion (50-64), Super Senior Champion (65 & Over), Overall Women Champion. Individual Champions payout based on number of players in each division.

Entry Fee: Members \$150, Guests \$185

**Includes:** Music by The Mighty Saints of Soul Friday Night, with Seafood Buffet 6 to 8 & open bar from 6 to 10. Fried flounder and fries casual dinner on Saturday Night from 7 to 9 with open bar from 7 to 10. Breakfast and lunch both days.

Practice Round Fee: \$16 for guest, book tee time up to 7 days in advance. Practice rounds available Thursday or Friday.

Flights/Handicaps: Teams will be pre-flighted according to USGA handicap index. Teams having more than a 5 stroke differential between handicaps will have higher handicap player reduced to conform. For example: Player A is a 4 handicap, Player B is a 12 handicap. Player B will have his handicap reduced to a 9. Handicaps will place teams into flights. Handicaps are not used during play. Any player under age 50 with a 3 handicap or less will play the Blue tees both days to be eligible for Low Individual Champion. In the mens division those 65 and over are eligible to play the gold tees. When playing tees other than the white tees, players will have their handicaps adjusted accordingly for flighting purposes. Women will have their own flights and all play will be based from the red tees. With a full field there will be 8 teams per flight. All handicaps must be USGA certified and must be verified by a local golf professional. Entries without USGA certified and verified handicap indexes will not be accepted.

Tee Times: Tee times will be from 8 to 2 both days with a full field. Lower flights will tee off first on Saturday with higher flights teeing off first on Sunday. Saturday's pairings will be available by noon, Friday, August 19th.

Entry Deadline: Wednesday, August 17th

Mission: The First Tee of Eastern North Carolina will impact, influence and inspire the lives of young people by providing learning facilities and educational programs that build character and citizenship, instill life-enhancing values, and promote healthy choices through the game of golf and other enduring character-building activities.

Morehead City Country Club Members-

We are excited to inform you of a wonderful non-profit called **The First Tee** starting in our area and being held at **Morehead City Country Club**. It comes as no surprise that we welcome this program with enthusiasm, as there are overwhelming benefits for the youth in our county.

The First Tee is a 501(c)(3) nonprofit youth development organization with the purpose of providing young people, of all backgrounds, life-enhancing values such as honesty, integrity, sportsmanship, and confidence. Many of the participants are receiving college scholarships and career opportunities because of their involvement in The First Tee. Our goal is to implement The First Tee National School Program into elementary schools in Carteret County. The First Tee National School Program introduces elementary students to The First Tee Nine Core Values, and the Nine Healthy Habits, which, are delivered through the game of golf during physical education classes. Physical educators receive special training, curriculum focused on core values, and equipment for effective learning environments.

Once the **The First Tee National School Program** is integrated into our school system, we will begin our **after school programs** in spring 2016 at Morehead City Country Club where The First Tee Nine Core Values and Nine Healthy Habits will be reinforced through the game of golf and various activities. This is a nonprofit where **community involvement is a must** and we believe it will be successful with the abundance of community support we feel here at Morehead City Country Club. We want to see it flourish in our Carteret Country area as we know it will strengthen and enrich our community. Please contact Camille Gardner at <a href="mailto:camillegardner.tft@gmail.com">camillegardner.tft@gmail.com</a> to learn how to get involved or with any questions you may have.

Thanks for all you do to help our community! Camille Gardner & MCCC Staff

Play the Game. See the World. Morehead City Country Club Members Save on PerryGolf Tours & Cruises

Morehead City Country Club has partnered with PerryGolf to provide our members with the finest in specialized golf travel experiences since 1984. PerryGolf offers golf tours and golf cruises to more than twelve of the world's most memorable destinations ranging from Scotland and Ireland to the Mediterranean, the Caribbean, New Zealand, Australia and South Africa. PerryGolf arranges every aspect of completely customized itineraries for groups of men, women and couples that combine marquee golf with sightseeing, whisky and wine tastings, castle and garden touring, spa treatments, safaris and luxury resorts plus packages with attendance to The Open Championship.

Details on MCCC Member Benefits along with PerryGolf Sample Schedules and a calendar of upcoming Golf Cruises & Escorted Tours are available at www.PerryGolf.com/MCCC.

Morehead City Country Club members will receive a golf shop credit equal to 10% of the value of a PerryGolf Tour and 5% of the value of a Cruise. Guests of MCCC members who travel on the same itinerary will receive a gift certificate redeemable with Turtleson, an impressive manufacturer of world-class performance and lifestyle apparel for golfers, equal to 5% of the value of a PerryGolf Tour and Cruise.

#### RULES OF PLAY

- 1. Golfers must check in the golf shop. All play is to start on the #1 tee unless otherwise directed by the
- 2. All golfers are to bide by suggestions and request of golf shop staff.
- 3. Dress Code: While on the golf course proper golf attire is required to be worn at all times. Acceptable: Turtleneck or shirt with a collar. Spikeless shoes or shoes with soft spikes. Hemmed shorts providing they are no shorter than 4" above the knee. Golf slacks or denim jeans providing they are not frayed or have any holes. 4. Pace of Play: A round of 18 holes should be completed in 3 hours and 50 minutes or less. If one or more holes are open in front of a group, the group must invite a waiting group to play through or catch the group in front of them. Groups falling behind will be asked to either increase their pace of play or to allow other groups to play through.
- bunkers should be raked to a level surface and the rake is to be left in the bunker. Fairway and tee box divots should be filled with the sand provided. 6. All player must have an individual set of clubs. 7. No child under 12 may play without an adult unless approved by Pro Shop staff. All operators of golf carts must be at least 16 years old.

5. Ballmarks are to be properly repaired with a

ballmark tool. Ballmarks, divots and footprints in

- 8. Carts are to use the 90 degree rule unless instructed otherwise by Pro Shop staff. Cart path means cart path only for all carts. All carts must exit to the cart path at or before the sign located in the fairway. Golf carts must remain on the cart path around all greens, teeing grounds and all par 3's. Only two people and two golf bags are allowed on a cart. Two single rider carts are not allowed in any group except that a private cart owner-driver is not required to ride with another cart owner-driver.
- 9. Pull carts must be kept off of mounds, away from bunkers and 15 feet from greens and tee boxes. Pull or Push carts will be required to stay on the cart paths on days the golf course is deemed too wet. 10. Handicap privileges allow golfers to be no closer than 15 feet from greens and tee boxes. These privileges do not extend to another cart occupant

unless he or she is also handicapped. Only carts with

- handicap privileges are allowed in practice areas. 11. Carry bags must be kept off fringes and greens 12. Any person bringing pets or animals to the golf course or Club property will be held responsible for damage inflicted and the cost of repairing such
- damage. 13. NO GENERAL ABUSE TO THE OVERALL FACILITY
- **PROCEDURE:** All the above rules are to be followed by anyone using the grounds. Anyone observing a violation should report the violation to the pro shop.

**DISTANCE MEASURING DEVICES** – A player may obtain distance in formation by using a device measuring distance only. However, if during a stipulated round, a player uses a distance-measuring device that is designed to gauge or measure other conditions that might affect his play (gradient, wind speed, temperature, etc) the player is in breach of Rule 14-3, for which the penalty is disqualification, regardless of whether any such additional functions are actually used.

#### **LOCAL RULES**

Play is governed by the USGA Rules of Golf except as amended by Local Rules

**DOUBTTO PROCEDURE** – Rule 3-3: If a player is doubtful of his rights or the correct procedure during the play of a hole, he/she may, without penalty, complete the hole with two balls. The players must announce to his/her marker or a fellow player that he/she intends to play two balls and which ball he/she wishes to count if the Rules permit. **OUT OF BOUNDS** – Defined by inside edge of white stakes at ground level. Public streets, parking lots, clubhouses and maintenance facilities are out of bounds. Typically, the edge of the road or curb nearest the golf course is the boundary. A ball that crosses such boundary is out of bounds even though it may lie on another part of the course. WATER HAZARDS AND LATERAL WATER HAZARDS – When both stakes and lines define a water hazard the stakes identify the hazard and the lines define the hazard margin. When a lateral water hazard is defined only on one side, it is deemed to extend to infinity. Any ball hit to the left of the ditch bordering the left side of the 14th fairway cannot be played. GROUND UNDER REPAIR - A) Area completely encircled by white lines B) French drains filled with rocks or stones. C) Cut turf (newly sodded areas) even if unmarked. IMMOVABLE OBSTRUCTIONS – A) Sprinkler control boxes B) Water coolers C) Staked trees. Relief is for the stakes and rope not the tree itself E) Pump house or any restroom building. TEMPORARY IMMOVABLE OBSTRUCTIONS – Circulation fans are deemed to be TIO's. Relief is for stance, area of swing. Or if TIO intervenes directly between the players ball and the hole and on his line of play. MOVABLE OBSTRUCTIONS – Stones in bunkers are movable obstructions **ROADS AND PATHS** – Artificially surfaced paths are deemed obstructions. All other paths are deemed integral parts of the course. **SANDY AREAS** – Sandy areas between holes 3 & 4, the trap just off the tee box on 11 and the trap on hole 12. These areas are not hazards and the clubhead may be grounded. Note: free relief for an embedded ball in loose sand is not allowed in these areas. LANDSCAPED AREAS – Landscaped areas by the 13th green and 14th tee, area between the 12th

& 16th greens along with landscaped areas on the mounds right of the fairway on hole 9 are to played as ground under repair. AERATION HOLE-On the puttinggreen, a ball that comes to rest in or on an aeration hole

may be placed at the nearest spot no nearer the hole. EMBEDDED BALL THROUGH THE GREEN - Appendix I, page 127; Lifting an embedded ball is permitted through the green excluding sandy areas.

**POWER LINE** - If a ball strikes a power line, the player must disregard the stroke and play another ball from as near the same spot as possible.

WINTER RULES AND PREFFERRED LIES - The USGA does not endorse "winter rules" and "preferred lies" and recommends the Rules of Golf be observed uniformly. Ground under repair is provided for in Rule 25 and occasional local abnormal conditions which may interfere with fair play and are not widespread should be defined as ground under repair. However, when the conditions warrant the following local rule will be invoked: A ball lying on a closely mown area through the green may, without penalty, be moved or may be lifted, cleaned and placed within one club length of where the original ball lay, but not nearer the hole and not in a hazard or on a putting green. A player may move or place his ball once and after the ball has been moved or placed, it is in play. Please check with the golf staff to determine if "preferred lies" are in effect.

## PACE OF PLAY WINNERS \$100 EACH MORT CONGLETON, DONNA MANNING, JOYCE OLSEN

Pace of Play Guidelines ~ 3:45 Minutes (Time adjusted for cart path only days) Group rights: As long as groups are within the pace of play guideline and within one hole of the next group they are not required to let players through. Anytime a group falls a hole or more

Pace of Play Suggestions:

Call your food and drink order in before making the turn. Plan your shot while riding to your ball, or while others are playing. Be ready when it is your turn. Go directly to your ball; don't follow others unless assisting in a search. When on paths only, take several clubs with you to your ball. Be efficient with pre-shot routine. Leave your clubs on the side of the putting green towards the next tee. Unless experienced, play standard tees, not the

championship tees. If eligible play the new forward tees. Pace of Play Rewards: Collect your golf receipt upon checking in. If you play in 3hrs and 45 minutes or less turn your receipt into the golf shop. On the first Friday of each month a name will

VIOLATION OF RULES: 1st Offense Verbal & written notice 2nd Offense Written notice & referred to Board of Directors

be drawn with the winner receiving \$100 credit.

behind they are obligated to close the gap or let quicker players through.

#### William "Will" Nicholas Eatmon Jr. Born 1/16/16

Alicia and I would like to thank the membership for the thoughtful gifts Will has received. It has been overwhelming! Special thanks to Judi Price for his Future Golf Pro Shirt! Hard to see in the range basket picture but it's Wills favorite!

Will is getting to know his extended family! Working for MCCC has a number of benefits, but the family feel given to Alicia & Will from the membership and staff is something we are very grateful for.

Will and mom are doing great! Alicia has been on the move! Taking Will to the beach, golf course, long walks around the neighborhood and even catching a Wake Forest game! Will has also become a frequent visitor to the daycare at the Sportscenter, which doesn't surprise anyone who knows Alicia best!

Will and the crew! Going to be fun to watch Regan Bradshaw "Smash", Hudson Forguites "Hector" and "Little Willy" grow up.

All nicknames given by Robbie Bittner. We think Robbie and Ila's new born should be named, "Little Bit'!

Future US Open Champion Tucker Cook!

Will, Regan & Hudson are ready to meet you Tucker!

Congratulations David & Kristin

David tried to get as much practice time as he could before Tuckers arrival!
